AMENDMENT UNDER 37 C.F.R. §1.312

Sir:

Further in view of the Examiner's Amendment in the Notice of Allowance dated October 7, 2005, please amend the above-identified application as follows:

The only claims that are amended are claims 1 and 15, to correct minor typographical errors in the Examiner's Amendment in the Notice of Allowability, claims 22 and 23, to insert a comma before "wherein", and claims 9, 25, and 26, to correct the claim dependency due to the cancellation of claim 28.

However, Applicants request that a revised Notice of Allowability be placed on record that lists in item 2 that claim 18 is included in the allowed claims and that the first Applicant's name is correctly spelled on the issued patent.
